The News

■ It's time to begin planning for a very important annual Lunkers Unlimited function. This year's Kids On The Water event, conducted with the Make-A-Wish Foundation, will be held on Wednesday, Aug. 18 at Smokey's Bait Shop on Pewaukee Lake. The hours are from 6 p.m. till dark.

We need as many club members as possible to help make this evening a success for the kids and their families. Specifically, we need people to show up with their boats so the kids can fish for a few hours. We also need folks to operate a pontoon boat, so more kids can get out on the water, and do other various tasks.

Food and drink will be provided by the club after the fishing.

If you can help, please call Ted Jach at (262) 617-7754.

If it rains on Aug. 18, the event will be moved back one week, to Aug. 25.

■ The Lunker Line is going to have a club members promotion page in the August newslet-

ter. Anyone who can offer goods or services to club members at a discount are encouraged to contact Mike Glomski. His contact info is the front of the newsletter, and his e-mail address is mglomski2@wi.rr.com.

■ Club Member Gene Scale is selling his boat. It's a 17½ foot Javelin fish and ski boat with a 90 hp Evinrude motor (both stainless steel and spare aluminum props), aerated livewell, walk-through windshield, trolling motor and Hummingbird graph, among other features. The boat is silver and blue with a matching trailer. Gene is asking \$5,500, or best offer. For more info, call Gene or Carleen Scale at (262) 782-4592.

New no-wake law in place across Wisconsin

A new slow-no-wake boating rule took effect statewide this spring. The new Wisconsin state law prohibits boaters in all lakes and river flowages from operating at speeds faster than slow-no-wake within 100 feet of any shoreline.

The new law adds to an existing one which already prohibits boaters from exceeding slow-no-wake speeds within 100 feet of all piers, docks, rafts and buoyed restricted areas.

According to the Department of Natural Resources, the change was made to protect people and the bodies of water where they play. Excessive speed is a primary cause of both boating accidents and complaints about boaters during the summer season. The new rule should also reduce shoreline erosion and also protect aquatic plants near shore.

So slow down near shore and make sure you know the rules, or you might get a ticket.

For more info about this and other Wisconsin boating laws, visit www.dnr.state.wi.us.
