## Upcoming Events

### January 6, 2011

A number of items will be on the agenda for this first meeting in January:

...**Review and final preparation for the Fishoree** (all who plan to support this annual function need to sign up with Dave Wittemann 414-331-2788, and be present at the meeting).

...**Review of the Banquet Committee and attendance** - The Luncker's Banquet will be held on February 26<sup>th</sup> and a copy of the menu is attached.

...**Review of all functions requiring committees for 2011.**

...**Discuss 2011 Humboldt Park, discussion on next page.**

...**Financial Overview** – While Elroy gave his annual financial statement the last meeting, Kent will again provide a brief review for those that were not in attendance. This will make you aware of how we spend the

money and what it takes financially to make the club successful.

...**Discussion of Membership views for 2011** - There will be an open forum for input from the membership as to what they would like to see from the Board, as well as from membership in 2011.

...**A Board Meeting** will follow the regular meeting and all 2010 Board Members that wish to attend are cordially invited.

### January 15, 2011

We will have another Gander Mountain Ticket Sale the week before the fishoree from 9:00AM to 1:00PM. Please call Dave Wittemann if you would like to participate.

### January 22, 2011

#### **Ice Fishoree**

We need everyones help to make this the best Fishoree yet. Once again, our hosts for the day will be the fine folks at Curly's Waterfront on Pewaukee Lake. Do not forget that we need a bottle of spirits and donation from

each club member for this function. The donation can be any item that is new, or a dinner reservation, oil change, etc. The donated item does not have to be relative to fishing, however it should be something within reason. Make sure your tickets are sold and all money turned before the 24th. For the first time the club will be awarding a \$50 gift certificate to the store of your choice for the most Fishoree Tickets sold by a member, so sell those tickets. See page 3 for more details.

### February 26, 2011

#### **Annual Banquet**

You will see that Ted Jach has made superb arrangements this year for specialized dinners at a most reasonable cost. Either mail the completed menu (see page 4) with a check per directions, or call Ted at 262-617-7754. Please return the form by February 17 to allow for proper planning and ordering.

## In The News...

A solid turn out for the December 2, 2010 fellowship meeting was highlighted by the election of the board for 2011. The Officers are:

President	Bruce Allen
Vice-President	Jay Strande
Treasurer	Kent Jacobsen
Secretary	Tom Paulsen
Sergeant-At-Arms	Dave Wittemann

The first item of business is to give a special thanks to the outgoing Board Members Mike Glomski, Elroy Kaufmann, and Rick Pledl. These individuals have served the Luncker's Club for many years, and have given a lot of time and effort to make this organization successful. In addition, we need to also mention the efforts of our Committee Chairmen and the jobs they have done in 2010. As you can see the Board has changed and it is most unfortunate that 3 of the new Board Members ran unopposed this year. This is a sign that it is today a most difficult task to get nominations to sustain these positions. One of the key items that the board will work on in 2011 will be called AMP, or (Active Membership Participation). To be a successful organization you need commitment at the top, and active support by the membership.

At this point the club is in need of a Tournament Committee, and an Outing Committee Weigh-In individual. It's your club and we need to have some names to go with these functions by the end of January 2011.

Election night was also Fellowship night and we had a significant number of members participate. Some came from a long distance and yet some individuals who participate in the club outings did not show. This is what I am referring to as AMP. Those that participated many thanks, those that didn't we hope to see you soon.

Bruce

**We need your Help!** We are updating the club records. Please complete the membership application form and return to Dave Wittemann. We would like to update all emails as part of this process. In order to make the club more efficient and cost effective and reduce the waste of paper, we will email a pdf newsletter to your email addresses on file. This will eliminate the postage necessary to send through the postal mail and give you an electronic copy for you to archive as you see fit.

*It has always been my private conviction that any man who pits his intelligence against a fish and loses has it coming.*

## More In The News...

### 2011 Humboldt Park

I was contacted by Matthew Coffaro of the DNR who indicated that they have no sponsor club for the Humboldt Park Fishing Outing on April 16<sup>th</sup> of 2011. He also indicated that this event would be discontinued for this year if no group could be found. Lunker's participated in this kids event several years ago and it was very rewarding. My understanding going into this year was that we were going to once again participate. However, in the conversation with Matt, he had no confirmation that we would do so, and we have no committee or membership who have stepped forward to manage the event. Perhaps this was because there was a misunderstanding that the club members had to be certified. That is not so, unless one is managing the event in Waukesha County.

So.....at the **January 6** meeting we will have a discussion, hoping we have sufficient individuals present who will sign up to support this kids event. We need 12 to 15 to be successful, and if the number of individuals I see at the Big Green outing every year represents individuals who like to fish, and get prizes, then out of the 30-40 who show up we should be able to get a dozen to put some smiles on these kids. We will be responsible for registration, a safety meeting, knot tying, casting, fish cleaning, and hot dogs, soda, and chips if we so desire to provide them. I think we can handle that. I have to let Matt know by the 13<sup>th</sup> of January, so please come to the meeting or call me, Jay, or Dave and sign up for this as we need some active membership participation, and we need to know about it soon. More info at the meeting.....

## Marketplace

Thought we would try something and see if there is any interest. If anyone has any fishing items that they are want to sell and might be of interest to other club members please email the information to insert into this section at [tlpaulsen@hotmail.com](mailto:tlpaulsen@hotmail.com),
